

CERTIFICATE

The company

Swedol AB
Box 631
SE-135 26 Tyresö, SWEDEN

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report 21-145040-1

for the following articles:

Workwear including woven and knitted fabrics made of cotton, polyamide, polyester, wool, viscose, lyocell, polypropylene, polyarylate, FR viscose, modacrylic and meta-aramid in different combinations, partly produced with fibers accepted by OEKO-TEX® having flame retardant properties, with or without elastane or carbon (with antistatic function), coating and lamination. Including accessories such as adhesive tape, buttons, elastics, draw strings, embroidery- and sewing thread, heat transfer print, heat transfer reflective print, hook and loop fasteners, ID-card pocket, interlining, labels, padding, ribbon, pigment print, seam sealing tape, sew-on and heat transfer reflective tape, zippers, metal- and plastic accessories. Protective knitted gloves made of polyamide and elastane with nitrile coating, with or without nitrile dots. Including accessories such as heat transfer print, labels and sewing thread. (Partly based on material already certified according to STANDARD 100 by OEKO-TEX®.)

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Annex 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Annex 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate SE 10-192 is valid until 15.03.2022
