

CERTIFICATE

The company

Swedol AB
Importgatan 23
SE-422 46 Hisings Backa, SWEDEN

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report **19-27826-2**

for the following articles:

Woven and knitted workwear made in different combinations of modacrylic, cotton, polyamide, polyester, polyarylate, meta-aramid and antistatic fibres, with or without laminate, with flame retardant properties. Produced of fabrics having flame retardant properties or flame retardant finishing accepted by the OEKO-TEX® association. Including accessories; reflective tapes, zippers, labels, Velcro, elastics, ID-pouches, sewing thread, webbing, interlining, transfer print, seam sealing tape, padding, metal- and plastic accessories. (Exclusively based on material already certified according to STANDARD 100 by OEKO-TEX®)

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate SE 11-204 is valid until 27.03.2020
