

CERTIFICATE

The company

Swedol AB
Box 4154
SE-422 04 Hisings Backa, SWEDEN

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report 18-27234-2

for the following articles:

Workwear with flame retardant properties made of cotton/polyester/antistatic and modacrylic/cotton/antistatic. Including accessories; reflective tapes, zippers, labels, velcro, elastics, textile bands, ID-pouches sewing thread, buttons, webbing, metal- and plastic accessories. Produced with fabrics having flame retardant finishes accepted by the OEKO-TEX® association.
(Exclusively based on material already certified according to STANDARD 100 by OEKO-TEX®)

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate SE 11-204 is valid until 27.03.2019
